STATE OF NEVADA BOARD OF PSYCHOLOGICAL EXAMINERS

November 4, 2022

1. Call To Order/Roll Call to Determine the Presence of a Quorum.

Call to Order: The meeting of the Nevada State Board of Psychological Examiners was called to order by President Whitney Owens, PsyD, at 8:32 a.m. online via “zoom” and physically at the office of the Board of Psychological Examiners, 4600 Kietzke Lane, Suite B-116, Reno, Nevada.

Roll Call: Board President Whitney Owens, PsyD, Secretary/Treasurer Stephanie Woodard, Psy.D., and members Stephanie Holland, PsyD, Catherine Pearson, Ph.D., and Lorraine Benuto, Ph.D., were present. Members Soseh Esmaeili, PsyD, and Monique Abarca, LCSW, were absent.

President Owens and Dr. Gary Lenkeit responded with information about the training consortium that exists in Southern Nevada.

Lisa Scurry, Executive Director, stated that no other public comment had been received by the Board office.

3. (For Possible Action) Discussion and Possible Action to Accept the Annual Financial Audit for Fiscal Year 2022 (July 1, 2021 through June 30, 2022) as Prepared by Campbell Jones Cohen CPAs and in Accordance with Nevada Revised Statutes (NRS) 218G.400.

Kay See and David Hines, Campbell Jones Cohen CPAs, presented the annual external audit. The audit received an opinion that it was materially correct, a positive rating.

Ms. See reviewed the “Management’s Discussion and Analysis” section, a summary of the finances of Fiscal Year 2022, ending June 30, 2022. Additionally, general notes were presented related to areas including accounting policies; compliance with state laws and regulations, cash, capital assets, leases, mediations, and pensions. A balance

sheet listing the assets and liabilities was provided, including a statement about deferred revenues. The net outcome of income versus revenues was positive.

There was a note regarding the ways in which deferred revenues were recorded and a recommendation that the Board office modify its procedures. This was not a negative finding but a procedural improvement.

There were no questions or comments from members of the Board.

On motion by Stephanie Woodard, second by Lorraine Benuto, the Nevada State Board of Psychological Examiners accepted the Financial Audit for Fiscal Year 2022 (July 1, 2021 through June 30, 2022) as prepared by Campbell Jones Cohen CPAs and in accordance with NRS 218G.400. A power outage at the State resulted in the Board website being unavailable to the public. As a result, on the date of the meeting members of the public did not have access to the agenda and meeting link to join the meeting.

Rather than minutes, a written summary of the regular meeting of the Board from October 14, 2022 was presented. There were no comments or questions from the Board.

the meeting of the State of Nevada Board of Psychological Examiners on October 14, 2022. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

Lisa Scurry, Executive Director, explained that the final fiscal year 2022 showed income in the amount of \$202,007 and expenses, including payroll, in the amount of \$200,299. Following the completion of the external audits, final adjustments will be completed and presented with any suggested changes at the January 2023 meeting. She added that, based on the external audit, the opening balance for Fiscal Year 2022 was changed to reflect an adjusted deferred revenue amount.

On motion by Stephanie Holland, second by Catherine Pearson, the Nevada State Board of Psychological Examiners accepted the Final Treasurer's Report for Fiscal Year 2022. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

B. (For Possible Action) Discussion and Possible Action to Approve the Treasurer's Report for Fiscal Year 2023 (July 1, 2022, Through June 30, 2023).

Stephanie Woodard, Secretary/Treasurer, and Lisa Scurry, Executive Director, presented the financial report for Fiscal Year 2023. Director Scurry explained that as of October 31, 2022, the checking account balance was \$126,864. Of that amount, \$43,478 would be considered deferred revenue and held until January 1, 2023, leaving an actual balance of \$83,386. Based on the approved budget, 46% of expected revenues through December 31, 2022, had been received. For expected expenses, including payroll, 25% had been paid through the first four months of the fiscal year.

Dr. Woodard stated that the balance forward from Fiscal Year 2022 will be discussed at the January meeting.

On motion by Lorraine Benuto, second by Catherine Pearson, the Nevada State Board of Psychological Examiners approved the Treasurer's Report for Fiscal Year 2023. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

6. Legislative Update

A. Report on Legislative Activities, including the work of Interim Committees and the 2023 Session of the Nevada Legislature

Member Dr. Woodard stated that once the current election cycle has concluded, the filing of bill draft requests for the upcoming legislative session will increase. Workforce development is expected to be a topic of discussion during the Session.

President Owens stated there may be a proposed bill related to commercial insurance billing for psychological assistants. There was no additional information available.

B. (For Possible Action) Discussion and Possible Action on the Proposed Revision of Nevada Revised Statutes (NRS) 641.390, Representation or Practice Without License or Registration Prohibited, During the 2023 Session of the Nevada State Legislature

President Owens gave a brief overview of the purpose and intent behind the proposed change to NRS 641.390. A sponsor was found but the Board's proposal was currently attached to another bill sponsored by that Assemblyman related to telehealth (Item "C" below). No additional update was available but the status will be monitored.

C. (For Possible Action) Discussion and Possible Action to Provide Feedback and/or Recommendations to the Board Lobbyist Regarding a Potential Bill Draft Request Act Related to Telehealth Services by Non-Nevada Licensed Psychologists

Dr. Gary Lenkeit, PsyPact Commissioner, gave an overview of the Uniform Telehealth Act ("Act"), which may be proposed for adoption by Boards dealing with health care. The Act would allow a practitioner from another jurisdiction to practice in Nevada via telehealth after registering with the Board. Dr. Lenkeit expressed concern that, if adopted as currently written, such a practitioner would not have to meet substantial equivalency to the licensure requirements in Nevada with respect to education and training.

A meeting was previously conducted with Board staff, the bill sponsor and representatives of the national organization that drafted the Act. It was hoped that if the Act becomes a bill, it would include language taken from NRS 641.170(1) that describes the qualifications of applicants for licensure in Nevada.

President Owens stated that the Board's proposed bill has been embedded into the proposed telehealth bill. There was discussion about whether other health care Board's in Nevada are aware of this proposed legislation.

This potential legislation will be monitored by the Board's lobbyist.

7. Board Needs and Operations

A. Report from the Nevada Psychological Association (NPA)

Tara Borsh, Nevada Psychological Association, provided an update on the activities of NPA, including continuing education opportunities they are hosting.

B. Report From the Executive Director on Board Office Operations, including licensure renewals.

Lisa Scurry, Executive Director, provided a summary of the activities of the Board office, including the numbers of licensure and registration applications received and approved. She also gave an update on the ongoing licensure renewal process, stating that nearly 100 of the nearly 650 licensees had completed the process.

8. (For Possible Action) Discussion and Possible Action to Approve the Search for a Hearing Officer to Conduct a Hearing in Case #19-0626 Upon the Recusal of a Majority of Board Members

President Owens explained that for Complaint #19-0626, it is believed that a majority of Board members would need to recuse themselves. Director Scurry contacted each Board member separately to notify them of the complainant and respondent's names to confirm whether or not they would need to recuse. She also reminded the Board that similar action was taken in May of 2021 but since then 2 new members had joined the Board.

The following members stated their need to recuse themselves in the matter: President Owens, Dr. Holland, and Dr. Pearson. Director Scurry stated that Dr. Esmaili had previously stated to her that she would need to recuse. That being a majority of the Board, approval was requested for Director Scurry to conduct a search for a hearing officer.

On motion by Stephanie Woodard, second by Stephanie Holland, the Nevada State Board of Psychological Examiners approved the executive director conducting a Search for a Hearing Officer to Conduct a Hearing in Case #19-0626 Upon the Recusal of a Majority of Board Members. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.)
Motion Carried: 5-0

9. (For Possible Action) Discussion, and Possible Action on Pending Consumer Complaints:

A. Complaint #19-0626. This matter is pending and no discussion occurred.

B. Complaint #19-0709. This matter is pending and no discussion occurred.

C. Complaint #19-1106. Ms. Scurry stated this matter was previously resolved and will be removed from future agendas.

D. Complaint #21-0726. This matter is pending and no discussion occurred.

E. Complaint #22-0321

Dr. Sheila Young, Board investigator, presented the findings for complaint #22-0321. In attempting to get social security disability, the Complainant stated he thought the psychologist would submit the referral. Dr. Young found that it was not the responsibility of a psychologist to make such a referral. That information would have been provided to the patient through Social Security Administration and Nevada Bureau of Disability forms, as well as the informed consent document.

Dr. Young stated this was not a valid matter for a complaint and recommended dismissal. There was no evidence of a violation of Nevada Revised Statutes Chapter 641 or the American Psychological Association (APA) Code of Ethics.

On motion by Stephanie Holland, second by Catherine Pearson, the Nevada State Board of Psychological Examiners dismissed Complaint #22-0321. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

F. Complaint #22-0519

Dr. Sheila Young, Board investigator, presented the findings for complaint #22-0519. In this matter, the Complainant was a parent in a custody dispute. The responding psychologist provided an abundance of documentation in answer to the complaint which was reviewed by Dr. Young and the Board's legal counsel.

There was no evidence found of a violation of Nevada Revised Statutes Chapter 641 or the American Psychological Association (APA) Code of Ethics. Dr. Young recommended dismissal.

Member Dr. Holland recused herself in the matter.

On motion by Woodard, second by Pearson, the Nevada State Board of Psychological Examiners dismissed Complaint #22-0519. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, and Catherine Pearson.) Motion Carried: 4-0

G. Complaint #22-0804. This matter is pending and no discussion occurred.

H. Complaint #22-0930. This matter is pending and no discussion occurred.

10. (For Possible Action) Review and Possible Action on Applications for Licensure as a Psychologist or Registration as a Psychological Assistant, Intern or Trainee.

President Owens presented the following applicants for approval of licensure contingent upon satisfactory completion of licensure requirements: Mark Dillon, Christine Kim, Elizabeth Maines, Viola Mejia, Kimberly Miller, Samuel Montano, Jennifer Wilcox, Jamie Wong, Ta Tanisha Jones, Victor Jordan, and Chelsea Powell.

On motion by Stephanie Woodard, second by Stephanie Pearson, the Nevada State Board of Psychological Examiners approved the following applications for licensure contingent upon satisfactory completion of licensure requirements: Mark Dillon, Christine Kim, Elizabeth Maines, Viola Mejia, Kimberly Miller, Samuel Montano, Jennifer Wilcox, Jamie Wong, Ta Tanisha Jones, and Victor Jordan. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

President Owens recused herself from consideration of the application of Chelsea Powell.

On motion by Stephanie Woodard, second by Stephanie Pearson, the Nevada State Board of Psychological Examiners approved the following application for licensure contingent upon satisfactory completion of licensure requirements: Chelsea Powell. (Yea: Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 4-0

11. (For Possible Action) Discussion and Possible Action to Consider the Request of Patricia Barrera, Ph.D. for an Extension to Complete the Continuing Education Requirements for the current License Renewal Period, ending December 31, 2022, in Accordance with Nevada Administrative Code 641.132(4), Renewal of License

Dr. Patricia Barrera submitted a request for an extension to complete the continuing education requirements for license renewal. The request explained that she had experienced several medical and family issues over the past few months. She initially requested an extension in the Spring of 2022 but the Board asked to delay review until the renewal period began. Since then, Dr. Barrera completed 6 credits and was registered for an additional 19, including 15 live courses and both the cultural competency and suicide prevention requirements.

Although she expects the courses to be completed in December, the request would provide her additional time should her health require it. She expected that the only requirement for which she may need additional time would be the 6 credits in ethics.

Nevada Administrative Code 641.132 allows for a 60-day extension, until March 1, 2023, with approval of the Board.

On motion by Stephanie Woodard, second by Stephanie Holland, the Nevada State Board of Psychological Examiners approved the request of Dr. Patricia Barrera for an extension until March 1, 2023 to complete the continuing education courses required as part of licensure renewal. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.)

Motion Carried: 5-0

12. (For Possible Action) Discussion and Possible Action to Consider the Request of Abbey-Robin Durkin, Ph.D. for an Extension to Complete the Continuing Education Requirements for the current License Renewal Period, ending December 31, 2022, in Accordance with Nevada Administrative Code 641.132(4), Renewal of License

Dr. Abbey-Robin Durkin requested a waiver of the live continuing education requirement for license renewal. Rather than completing 15 live and 15 home study courses, she asked to complete the 30 required credits by home study. Dr. Durkin is currently serving in the Air Force in Japan and her request was due to the time difference and the resulting difficulty accessing live courses. In addition to the Air Force, she also works in a clinic resulting in a schedule where she works double shifts three nights a week. She expected that at the end of the year-long commitment she will not have an issue meeting the requirements during the next renewal period.

President Owens asked if waiving the live requirements creates harm for the public, if a message would be sent that live credits are not necessary, and/or if a precedent would be set for future renewal periods.

Member Dr. Woodard asked what would happen if the request was not approved. Director Scurry responded that she would not be able to practice as of January 1, 2023 because the license would move to inactive. Dr. Durkin is not licensed in any other jurisdiction, which would be a requirement for her continued practice within the Air Force.

President Owens summarized potential options: Deny the request; approve the request allowing her to submit all credits as home study; have her submit 15 home study credits and provide an extension to complete the other 15 over the course of 2023.

Member Dr. Holland asked if the number of live credits could be reduced and a 60-day extension of time provided.

President Owens suggested, and Dr. Benuto agreed, a 60-day extension be provided with no waiver of the 15 live credits.

Member Dr. Woodard stated appreciation for the validity of request but was in favor of providing the time extension to allow the Board to uphold the standard.

Following discussion, the Board chose to provide a 60-day extension, keeping the standard in place. Dr. Durkin would have until March 1, 2023 to complete the continuing education requirement and would be required to complete 15 live credits.

Nevada Administrative Code 641.132 allows for a 60-day extension, until March 1, 2023, with approval of the Board.

On motion by Stephanie Woodard, second by Stephanie Holland, the Nevada State Board of Psychological Examiners approved Dr. Abbey-Robin Durkin for an extension until March 1, 2023 to complete the continuing education courses required as part of licensure renewal with at least 15 credits being live. (Yea: Whitney Owens, Stephanie Woodard, Lorraine Benuto, Stephanie Holland and Catherine Pearson.) Motion Carried: 5-0

Member Dr. Benuto left the meeting at 10:25 a.m.

13. (For Possible Action) Discussion and Possible Action to Revise the Provisions of Nevada Administrative Code (NAC) 641.1519, Qualifications of supervisor, to Require Registration of Supervisors of Psychological Trainees, Psychological Interns, and Psychological Assistants; and the Provisions of Nevada Administrative Code (NAC) 641.158, Limitations on Number of Assistants, Interns, and Supervisors

President Owens provided a summary of discussion related to supervision during the recent annual meeting of the Association of State and Provincial Psychology Boards (ASPPB). She shared that the range of discussion showed a wide range of philosophies across the country with respect to supervision and registration of supervisors.

The proposal to register supervisors and clarify limits on supervision is a result of confusion surrounding the rules of supervision. The proposed regulation seeks to provide clarity to the rules.

The Board previously discussed the idea of defining the primary supervisor and how that would be done in a way that makes sense. There was discussion about the various types of training sites and that the universities have a multi-tiered system of supervision that would be different from most other sites. In that setting there are many opportunities for training and the availability of multiple supervisors. Having the same rules outside of the university setting becomes difficult and could result in fewer safety measures being in place for the public. The Board also discussed the need to be mindful of the language around a psychological assistant being the supervisor of an intern or trainee.

Member Dr. Holland asked if it would be possible to create a separate process for supervisors at universities versus other sites. She expressed concern about some of the changes and how they could impact sites.

There was discussion about the purpose of creating the regulation and mandating supervisor registration. President Owens summarized that registration will allow the Board to collect data on the number of available supervisors, increase communication with supervisors and supervisees, and clarify the responsibilities of supervisors.

It was suggested that a work group of key stakeholders be created. Dr. Pearson agreed, adding that this would allow other licensees to assist in creating a potential registration process.

Creation of a work group will return on the next meeting agenda.

14. (For Possible Action) Discussion and Possible Action to Consider a Process for Providing Temporary or Short-Term Licensure for Applicants for Licensure by Endorsement. Discussion may include creation provisional licensure and/or revisions to Non-Resident Consultant provisions (NRS 641.0295, NAC 641.169)

There was no discussion on this item. It will be removed pending discussion during the upcoming Legislative Session of proposed changes related to telehealth.

15. (For Possible Action) Discussion and Possible Action to Create a Psychological Assistant (Post-Doctoral) License

There was no discussion on this item. It will be removed pending discussion during the upcoming Legislative Session of proposed changes related to commercial insurance and empanelment of supervisees.

16. (For Possible Action) Discussion of a Request by Licensees that the Board Create a Statement Regarding the Confidentiality of Testing Materials Related to Subpoenas

There was no discussion on this item. Director Scurry explained that it was placed on the agenda at the request of a licensee. The request was that the Board create a position statement related to subpoenas for testing materials, the confidential nature of those materials, and the associated ethics concerns. Such confidentiality is included in the APA Code of Ethics. She suggested the Board not create any position statement or state an opinion at that time, particularly since the Board's attorney was not present.

17. (For Possible Action) Discussion and Possible Action to Revise and/or Adopt a Policy on Licensure Renewal, including Continuing Education Requirements

Lisa Scurry, Executive Director, presented the draft policy related to licensure renewal. The policy describes license types – active, inactive and expired; methods for reactivating a license, and continuing education requirements. It was reviewed by Board member Monique Abarca, Continuing Education Chair. She suggested no changes to the draft document.

Director Scurry explained that final approval will not be sought until the current renewal period is concluded. That will allow the full process to be considered in the document. The policy will be presented for adoption at a future meeting.

18. (For Possible Action) Schedule of Future Board Meetings, Hearings, and Workshops. The Board May Discuss and Decide Future Meeting Dates, Hearing Dates, and Workshop Dates

- A. The next regularly scheduled meeting of the Nevada Board of Psychological Examiners is Friday, December 2, 2022, at 8:30 a.m.

Due to member scheduling conflicts, the meeting of Friday, December 2, 2022 will begin at 8:00 a.m.

19. Requests for Future Board Meeting Agenda Items (No Discussion Among the Members will Take Place on this Item)

There were no suggestions for future Board meeting agendas.

20. Public Comment

There was no public comment at this time.

Before departing the meeting, Member Dr. Benuto asked if a doctoral student was charged with plagiarism, if that student would need to indicate on the application "yes" to the question about any investigations or charges of unethical behavior. While the Board could not discuss the question, it was suggested that Dr. Benuto send the question to the Board office for the Board's counsel to review and respond.

21. (For Possible Action) Adjournment

There being no further business before the Board, President Owens adjourned the meeting at 10:55 a.m.

Good Morning State of Nevada Board of Psychological Examiners,

Please see below comments for Public Comment at the 11/4/22 meeting:

As an organization that is committed to improving the mental health of the clients we serve, I am proud to say that we employ 4 full time psychologists here in Las Vegas and have a positive partnership with UNLV, taking Externs, and offer Post-Doctoral opportunities. I would love to see more work being done around improving the pipeline of talent coming into Las Vegas and Nevada to put down roots and stay. In researching what other major metropolitan areas are doing, I keep coming across one area that we fall short in. That's having a consortium available. Is there a reason we don't?

I would propose that we work together to find a solution to this and I am happy to help start the process, knowing it will take time to set up. We need to continue to do EVERYTHING we can to attract more talented individuals to Nevada as we possibly can. Boys Town is committed to working on ideas that will further support our kids and families! I can be reached at john.etzell@boystown.org or on my cell phone [REDACTED].

November 18, 2022

1. Call To Order/Roll Call to Determine the Presence of a Quorum.

Call to Order: The meeting of the Nevada State Board of Psychological Examiners was called to order by President/Chair Whitney Owens, PsyD, at 10:02 a.m. online via "zoom" and physically at the office of the Board of Psychological Examiners, 4600 Kietzke Lane, Suite B-116, Reno, Nevada.

Roll Call: Committee members Whitney Owens, PsyD, and Gary Lenkeit, Ph.D. were present. Member Stephanie Woodard, Psy.D., was absent.

Also present was Lisa Scurry, Executive Director.

2. Public Comment

There was no public comment at this time.

3. (For Possible Action) Review and Discussion of Applications submitted for the Executive Director position; and Possible Action to Forward Candidate Names to a meeting of the Board of Psychological Examiners for Selection of applicants to be Interviewed: Laura Arnold, Cameron Ballantyne, Tracey Collamer, Tricia Decosta, Erin Dunn, Lindsey Fassbender, Michael Gasaway, Cortney Huth, Johanna Jenkins, Luis Loe, Michelle Long, Brandi Mondragon, William Nash, Dolores Preciado, Elizabeth Rodriguez-Lopez, Sandra Skender, Danielle Stephens, Mark Toomey, Sabrina Torres-Ramirez, Nnamaka Ugezene, Jennifer Walker, Tiffany Wedgeworth, Levi Whittaker, Ballinda Winters, Brandon Wood

The members reviewed the list of applicants, ranking their top six candidates to be interviewed.

President Owens named Laura Arnold, Cameron Ballantyne, Tracey Collamer, Brandi Mondragon, Michelle Long, and Ballinda Winters as her top six candidates.

Dr. Lenkeit agreed with Laura Arnold. He added that Cameron Ballantyne, Michelle Long, and Brandi Mondragon were in the "maybe" category. His other two candidates were Jennifer Walker and Sabrina Torres-Ramirez.

The members agreed to recommend the eight candidates that were selected by one or both committee members: Laura Arnold, Cameron Ballantyne, Tracey Collamer, Brandi Mondragon, Michelle Long, Ballinda Winters, Jennifer Walker and Sabrina Torres-

Ramirez. The names will be forwarded to the Board at their next regular meeting for consideration of approval for the Sub-committee to conduct interviews.

On motion by Gary Lenkeit, second by Whitney Owens, the Sub-Committee to Hire An Executive Director recommended the following applicants be forwarded to the Nevada Board of Psychological Examiners for approval to interview for the position of executive director: Laura Arnold, Cameron Ballantyne, Tracey Collamer, Brandi Mondragon, Michelle Long, Ballinda Winters, Jennifer Walker and Sabrina Torres-Ramirez. (Yea: Whitney Owens and Gary Lenkeit.) Motion Carried: 2-0

4. (For Possible Action) Discussion and Possible Action Related to the Job Description, Duties, and Current Budget for Salary and Benefits of the Executive Director; and Possible Action to Make Recommendations to the Board of Psychological Examiners Related to the Position of Executive Director

(This item taken out of order.)

Member Dr. Lenkeit asked about the current salary and benefits package being offered.

Director Scurry confirmed that the job description included the salary, and all applicants received information upon application about the salary and benefits offered with the position. She added that although the Board previously discussed health insurance and/or increasing the salary, they opted to wait until the current license renewal period was concluded. Receipt of the renewal fees would give the Board necessary information related to any increased expense.

Dr. Lenkeit expressed concern that the hiring process could be an exercise in futility without increasing the salary and/or providing insurance benefits. He asked about using some of the money currently in the Board's reserve account.

President Owens commented that the position was advertised at an approved salary and attempting to change it at this point could be inappropriate. There could be candidates who did not apply due to the salary.

5. Public Comment

There was no public comment at this time.

6. (For Possible Action) Adjournment

There being no further business before the sub-committee, Chair Owens adjourned the meeting at 10:29 a.m.

Dr. Jeanne White is requesting a 60-day extension to complete the continuing education requirements for licensure renewal. As of the writing of the request, she had completed 12 of the required 15 live credits. However, problems with the internet connectivity service has made it difficult to complete the required courses. At one point, the cable representative confirmed 51 outages in 2 months in her area.

She wrote: "I am still trying to complete the requirements by the December 31st deadline, *as of this time I do have 12 of the 15 required live CEUs, so I would only be short by 3 units, with the balance of the rest completed as online trainings* . In case the outages happen again on the days I plan to attend the live interactive webcasts it will be such a relief to know that I will have an extension available."

ITEM: 18 - Discussion and Possible Action to Direct the Board's Exam Chair and Executive Director to conduct the biennial review of the Nevada State Examination, including the questions/answers and administration procedures. Such review may include enlisting 5-10 licensees who have stated their willingness to volunteer for "Exam Review/Development" during the current license renewal period. SUMMARY:

Approval is being sought by the Board's Exam Chair, Dr. Stephanie Holland, and the executive director to conduct a biennial review of the state exam and, as appropriate, make adjustments to test questions to ensure accuracy with state laws and regulations.

During license renewals, all licensees are asked their interest in "assisting the Board with Exam Review/Development." From those who have volunteered, a group will be selected to review the exam questions and make recommendations to Dr. Holland and the Executive Director. As test questions are confidential, this work will be conducted individually with participants submitting any thoughts or suggestions directly to Dr. Holland and the Executive Director.

BOARD OF PSYCHOLOGICAL EXAMINERS**
Complaint Review & Disciplinary Policy

Purpose

The Nevada Legislature created the Nevada State Board of Psychological Examiners (Board) to regulate the practice of psychology because it is a learned profession, affecting public safety, health, and welfare and subject to regulation to protect the public from the practice of psychology by unqualified persons and from unprofessional conduct by persons licensed to practice psychology.¹ The Board is charged with enforcing Nevada Revised Statutes (NRS) Chapter 641 and Nevada Administrative Code (NAC) Chapter 641 for the protection and benefit of the public.²

The Nevada Legislature further established minimum procedural requirements for the adjudication of contested cases pending before the Board, in order to ensure that the due process rights of psychologists and other persons are protected and to establish uniformity in procedure across regulatory bodies.³

It is the intent of the Board, through this policy, to carry out the mission delegated to it by the Nevada Legislature, as described above.

Definitions

1. "Complainant" refers to the party making the complaint.
2. "Respondent" refers to the subject of a complaint.
3. "NRS" refers to Nevada Revised Statutes
4. "NAC" refers to Nevada Administrative Code

Procedure

1. Complaint Investigation Procedure:
 - a. Any person may file a written complaint regarding the practice of psychology in this State with the Board office.⁴ The complaint may be against a psychologist, an unlicensed person, or an applicant for licensure.
 - i. Anonymous complaints will be accepted by the Board. However, depending on the information provided by the complainant, it may

be more difficult to fully investigate an anonymous complaint and/or an anonymous complaint may be more likely to be deemed frivolous.

- ii. If the Board office receives a complaint against a person who is not licensed by the Board and/or is not practicing psychology, the Board office shall forward the complaint to the appropriate licensing board.⁵
- b. The Board's Executive Director ~~should and~~ assigned an investigator ~~should to~~ review all complaints filed with the Board to see if they raise serious concerns regarding the immediate health, safety, and welfare of the public such that emergency action is required. ~~throughout the investigation process.~~ If complaints raise these concerns, refer to the "Special Situations" section of this policy (#3, page 8).
 - c. If applicable, the complainant must sign a release of records, allowing the ~~respondent/~~psychologist to provide the Board office with records regarding the complainant and/or the client in response to the complaint.
 - i. If the complainant is legally authorized to sign a release of records and fails to sign a release of records, unless in the view of ~~the Board's Executive Director and~~ the assigned Board investigator extraordinary cause exists, the complaint will be deemed ~~frivolous invalid~~ and the complaint will be dismissed without investigation or action.
 - ii. If the complainant is not legally authorized to sign a release of records for the complainant and/or the client, the Board ~~will~~ may subpoena those records necessary to investigate the complaint pursuant to NRS 641.245.⁶ See Sample Subpoena (Appendix A).
 - ~~d.a. _____ Complaints filed with the Board office must be kept by the Board office for ten (10) years, even if they are not acted on or investigated.⁷~~
 - e.d. _____ After receiving a complaint pursuant to NRS 641.250, the Board office will forward the complaint to a Board investigator for review.

⁵ NRS 629.079. The Board still may investigate unlicensed activity and/or take action regarding the unlicensed practice of psychology.

⁶ A Board member must review and sign subpoenas prior to their issuance pursuant to NRS 641.245. The Board President will review and sign subpoenas issued pursuant to this provision unless the Board President has a conflict or is unavailable. In that situation, the Board Secretary-Treasurer will review and sign the subpoena. If both the Board President and the Board Secretary Treasurer have a conflict or are otherwise unavailable, any remaining member of the Board may review and sign the subpoena.

~~⁷ NRS 641.250(2).~~

~~f.e.~~ If the Board investigator reviews a complaint and determines it is not frivolous,⁸ unless the Board investigator ~~and the Executive Director~~ believes extraordinary cause exists,⁹ the psychologist or other person named in the complaint will be notified of the complaint by letter sent to his or her last known address on file with the Board. See Sample Letter attached as Appendix B. If the complaint is against a psychologist, the psychologist must respond to the Board's letter within thirty (30) days.¹⁰ If the psychologist does not respond to the Board's letter within thirty (30) days, the Board's attorney will send a letter to the psychologist at his or her last known address on file with the Board by regular and certified mail informing him or her of his or her duty to respond to the complaint pursuant to NAC 641.210(2) and that failure to do so may result in disciplinary action. The Board's attorney's letter will provide the psychologist with at least twenty (20) additional days to respond. See Sample Letter attached as Appendix C. If the psychologist still does not respond, the Board office will file a complaint against the psychologist for his or her failure to respond and notice of this complaint will be sent to the psychologist and the matter will be assigned to a Board investigator for investigation. A psychologist's failure to update his or her license with the Board will only be a defense to the psychologist's failure to respond to the Board's letter and the Board's attorney's letter if the address change was for less than thirty (30) days.¹¹

~~g.f.~~ If the person named in the complaint retains an attorney to represent him or her during the investigative process, all future communications between the Board office or the Board investigator and the person named in the complaint will now be done through the Board attorney and the attorney for the person named in the complaint. This means that requests for extensions of time to respond, requests for more information, responses to requests for information, or other communications made during the investigation will be made attorney to attorney and not from Board staff to the person named in the complaint.

~~h.g.~~ If the Board investigator reviews a complaint and determines it is frivolous, he or she will draft a report regarding his or her review and determination. This report and the complaint will be reviewed by ~~the Executive Director and~~ the Board's attorney. If the Board's attorney concurs with the Board investigator's determination, the Board

investigator will recommend that the Board dismiss the complaint at its next meeting.

- i.h. When the psychologist or other person named in the complaint's response to the complaint is received, the Board office will forward the complaint, the response, and any relevant records or other information provided by either the complainant or the respondent to a Board investigator for investigation.
- j.i. The Board investigator's investigation will include a review of the complaint, the response, and other records or information received to determine if there is any violation of NRS Chapter 641, NAC Chapter 641, the American Psychological Association Code of Ethics, or NRS Chapter 629.
- k.j. At the Board investigator's discretion, he or she may interview the parties, including the complainant and the respondent, as well as any possible witnesses as a part of his or her investigation. These interviews may be conducted by phone or other means that the Board investigator deems appropriate. If any of the parties are represented by counsel, the Board investigator will confer with the Board's attorney to determine how to proceed in order to ensure that the party's rights are protected.
- l.k. If the Board investigator believes that more information is necessary to adequately investigate the complaint, the Board investigator may send a letter to the complainant or the respondent requesting such information. The Board investigator's letter shall be mailed to the complainant or the respondent by regular and certified mail. If available, the Board investigator also may communicate with either party by e-mail. The Board investigator will provide a deadline for receipt of a response to that letter which must be not less than thirty (30) days. A copy of the Board investigator's letter(s), e-mail(s), and any responses received from the complainant or the respondent, as applicable, shall be maintained and included in the Board office file for this complaint.
- m.l. If the Board investigator believes that more information is necessary to adequately investigate the complaint and a written letter or interview will not allow the Board investigator to obtain that information,¹²

¹² For example, depending on the allegations in the complaint, the Board investigator may want to review a pharmacy utilization report for the person named in the complaint. If this is necessary, the Board investigator should contact the Board's Executive Director and the Board's attorney so that an appropriate request may be made to the State of Nevada, Board of Pharmacy.

the Board investigator may request a subpoena requesting that information be issued pursuant to NRS 641.245.¹³

n.m. In conjunction with investigating some complaints, the Board's investigator may determine that it is necessary to ask a psychologist named in a complaint to complete a mental or physical examination pursuant to NRS 641.272. For more information, please review the "Special Situations" section of this policy, III (B).

o.n. After gathering all necessary evidence and information, the Board investigator must determine whether the psychologist or other person named in the complaint has violated NRS Chapter 641, NAC Chapter 641, the American Psychological Association Code of Ethics, or NRS Chapter 629. In order to protect the public, the Board investigator's determination is not limited to the allegations alleged by the complainant in the complaint. Instead, any violations that are discovered in the investigation by the investigator should be included and addressed in the investigator's report.

p.o. The Board investigator shall draft a written report containing his or her determination regarding the alleged violations as well as any additional violations discovered in his or her investigation. The report must include the following:

- i. A summary of the allegations against the psychologist or other person named in the complaint;
- ii. A summary of the psychologist or other person named in the complaint's response to the allegations;
- iii. A summary of any other allegations discovered in the investigation as well as the psychologist or other person named in the complaint's response to those allegations, if applicable;¹⁴
- iv. A summary of the Board investigator's case analysis; ~~and~~ which shall include:
 1. Specific reference to evidence supporting the allegations that the Board's investigator believes should be pursued in the

The Board President will review and sign subpoenas issued pursuant to this provision unless the Board President has a conflict or is unavailable. In that situation, the Board Secretary-Treasurer will review and sign the subpoena. If both the Board President and the Board Secretary Treasurer have a conflict or are otherwise unavailable, any remaining member of the Board may review and sign the subpoena.

¹⁴ The psychologist or other person named in the complaint will be notified of these allegations before the matter proceeds to discipline pursuant to NRS 233B.127(3) and given an opportunity to respond.

disciplinary proceeding, ~~and~~ copies of that evidence, as applicable; and specific reference to the violations of NRS 641, NAC 641, NAC 629 and/or the American Psychological Association Code of Ethics sections that the investigator has concluded the respondent has violated.

- v. If the complaint is against an applicant for a license, the Board's ability to sanction the person may be limited. However, the Board investigator may recommend that this complaint be considered when evaluating the person's application, pursuant to NRS 641.170. The Board investigator may recommend that licensure be denied to the applicant or granted under specified conditions. In that situation, the person must be noticed to appear at a meeting as required by the Open Meeting Law wherein the Board investigator's recommendation will be presented to the Board and allowing the person to present his or her own information to the Board regarding his or her application.
- vi. In his or her report, the Board investigator may recommend that the psychologist be required to provide fingerprints to the Board office at the initiation of disciplinary proceedings as authorized by NRS 622.360.

~~e.p.~~ _____ The Board investigator's report must be included in the Board office file regarding the complaint.

~~f.q.~~ _____ The Board investigator, in consultation with the Board's attorney, shall also include in his or her report recommendations regarding the category of the violation, the seriousness of the violation, recommended sanctions regarding the violation, and any other information that he or she believes is relevant.

~~f.r.~~ If the Board investigator believes that the complaint should be dismissed, the Board investigator shall provide a summary of his or her investigation and the reasons supporting his or her recommendation that the complaint be dismissed ~~by~~ the Board at its next meeting. The Board may vote at that meeting to dismiss the complaint as recommended.

~~t.s.~~ If the Board investigator, in consultation with the Board's attorney, believes that the matter should proceed to discipline (whether a hearing, settlement agreement, or other proceeding), the Board investigator's ~~will ask that the Executive Director and the Board's attorney review his or her report. If the Executive Director and the Board's attorney concur with the Board investigator,~~ the report to the Board will include only the type of violation (statute or other category of violation) and the fact that the matter has been sent to the Board's attorney for initiation of disciplinary

action. If there is a question or another opinion is necessary, another Board investigator may be asked to review the complaint, response, documents received, and recommendations from the assigned Board investigator. If necessary due to extraordinary circumstances, a member of the Board may be designated as an "investigating Board member" pursuant to NRS 233B.122 and provide this additional review.¹⁵

~~u.t.~~ Once a matter is assigned to the Board's attorney, the Board's attorney shall send a letter to the psychologist or person named in the complaint by regular and certified mail providing him or her with a summary of the allegations substantiated in the complaint and providing him or her with an additional opportunity to respond to the allegations prior to the initiation of disciplinary proceedings¹⁶ against him or her.¹⁷ See Sample Letter attached as Appendix D. This response will be reviewed by the Board's attorney, ~~the Executive Director~~, and the Board investigator. This response may lead to additional investigation, revision of the Board investigator's report, or other action prior to the initiation of disciplinary proceedings. If this response leads to the recommendation that the matter be dismissed, the Board investigator's report should be updated to include reasons for this decision and the procedure outlined in step 16 should be followed.

~~v.u.~~ While the goal is not to have the Board's attorney investigate a complaint and risk becoming a witness in the matter should it proceed to a hearing before the Board, the Board's attorney is available and should be consulted by ~~the Executive Director and/or~~ the Board investigator, as necessary throughout the investigation of a complaint.

~~w.v.~~ The Board will follow the requirements of NRS Chapters 233B, 241, 622, 622A, 629, 641, and NAC Chapter 641 in the adjudication of complaints before the Board, including the approval of settlement agreements.

2. Reporting of Disciplinary Activity:

- a. The Board's Executive Director shall submit quarterly reports on or before the 20th day of January, April, July, and October to the Legislative Counsel Bureau as required by NRS 622.100. These reports must be

¹⁵ In this situation, the "investigating Board member" must recuse from any decision regarding this complaint.

¹⁶ The initiation of disciplinary proceedings is the sending of a complaint and notice of hearing to the respondent by the Board's attorney. See NRS 622A.300(1).

¹⁷ NRS 233B.127(3). This is required for cases where there may be a suspension or revocation. Best practice is to do this for all cases. This ensures that the psychologist or other person named in the complaint is informed about any additional allegations discovered in the investigation, but not included in the complaint prior to the initiation of disciplinary action.

submitted electronically and shall include a summary of each disciplinary action taken by the Board during the immediately preceding calendar quarter against any licensee.

- b. Within 30 days of the Board's disciplinary action, the Board's Executive Director must submit reports regarding disciplinary action to the National Practitioner Databank as required by federal law, and to the Association of State and Provincial Psychology Boards.
- c. The Board's Executive Director shall report any disciplinary action taken against a psychologist or other person that may involve insurance fraud to the Office of the Attorney General's Insurance Fraud Unit. More information about making this report is available at: http://ag.nv.gov/About/Criminal_Justice/Insurance_Fraud/.
- d. Within 30 days, the Board's Executive Director shall provide copies of all disciplinary actions to the Administrator of the Division of Public and Behavioral Health in the Department of Health and Human Services by sending a true and correct copy of the action by U.S. Mail.
- e. The Board's Executive Director shall post information regarding disciplinary action against a psychologist, psychological assistant, psychological intern, psychological trainee, or other person on the Board's website not later than 30 days after the Board's action. This report shall include the following information:
 - i. Discipline Type: Settlement or Order,
 - ii. A list of the specific statutes or regulations violated,
 - iii. A summary of the penalty imposed by the Board, including, as applicable, fine amount, cost reimbursement, continuing education, probation requirements, or other sanctions imposed, and
 - iv. Current status of the person's license or registration, as applicable.
- f. All disciplinary action taken against unlicensed individuals shall be reported to the appropriate law enforcement agency by the Board's Executive Director [and/or the Board's attorney](#) within 30 days after the Board's action. See NRS 641.2705.

3. Special Situations:

- a. Summary Suspension: The Board President, acting on behalf of the Board, may issue a summary suspension of a psychologist's license without first holding a hearing, if the President determines that the psychologist's actions could impair public health, safety, or welfare to the point where

emergency action is required. Such action by the Board President must be conducted in consultation with the assigned investigator, the Executive Director, and the Board's attorney. A hearing must be held on the underlying allegations within 45 days after the date of the order of summary suspension, unless the Board and the licensee mutually agree in writing to a longer period. After issuing a summary suspension order, the Board President may not participate in deciding the case at the scheduled hearing. See NRS 233B.127(3); NRS 233B.122(1).

- b. Mental or Physical Examination: The Board may require a person named in a complaint to submit to a mental examination conducted by a panel of three psychologists designated by the board, or a physical examination conducted by a physician designated by the Board. Every psychologist licensed under NRS Chapter 641 is deemed to have given consent to submit to such a mental or physical examination when directed to do so in writing by the Board. The testimony or reports of the examining psychologist or physicians are privileged communications, except as to proceedings conducted pursuant to discipline. The failure of a psychologist to submit to an examination constitutes grounds for immediate suspension of the psychologist's license. See NRS 641.272.
 - i. The language of the statute is broad and allows this examination to be conducted for any complaint received against a psychologist, prior to the initiation of disciplinary proceedings.
 - ii. However, due process and fairness still applies and the Board's power to order this examination as part of its investigation should not be abused.
 - iii. In addition, the cost for this examination is borne by the Board. The Board may later receive reimbursement for the costs of this examination from the psychologist if the psychologist is found to have engaged in conduct that violates Nevada law or enters into a settlement agreement agreeing to reimburse the Board for this cost. See NRS 622.400.

4. Communication During the Investigative Process:

- a. The Board must maintain the confidentiality of the complaint and all documents and information compiled during the investigation of the complaint during the investigative process. See NRS 641.090. The existence (or not) of a complaint cannot be acknowledged by the Board until the investigation is concluded and a complaint and notice of hearing has been drafted, filed with the Board, and served upon the Respondent by the Board's attorney or a settlement agreement is negotiated and

agendized for consideration by the Board at meeting, subject to the following exceptions:

- i. The Board may communicate or cooperate with or provide any documents or other information to any other licensing board or any other agency that is investigating a person, including, without limitation, a law enforcement agency. See NRS 641.090(6).
 - ii. The person named in a complaint may submit a written statement to the Board requesting that such documents and information be made public records. See NRS 641.090(4).
 - iii. Discovery regarding the complaint, i.e., the exhibits the Board's attorney intends to introduce at the hearing and a list of witnesses that the Board's attorney intends to call, must be provided to the Respondent upon request after the complaint and notice of hearing has been drafted, filed with the Board, and served upon the Respondent. See NRS 622A.330.
 1. Note: Exhibits introduced at the hearing for review by the Board that contain protected health information do not become public documents that are subject to disclosure pursuant to NRS 622.310.
 - b. Substantive communication between the Respondent and the Board office or investigator during the investigative process must occur in writing. [However, this does not preclude the Board's investigator from conducting oral interviews and submitting questions to the Respondent.](#)
 - c. Communication from the Respondent may be sent to the Board office by electronic mail, facsimile, U.S. mail, or other mail carrier.
 - d. Copies of all communication regarding the complaint must be maintained in the Board's file related to the complaint.
5. Fines, Costs, and Collections:
- a. All Board orders and settlement agreements will include a final due date for payment of all fines and costs assessed by the Board.
 - b. All fines assessed by the Board and received by the Board must be submitted to the State Treasurer for deposit with the General Fund.

¹⁹ Grounds for disciplinary action are contained in NRS 641.230.

An example of considerations the Board will take into account when determining remediation plans is discussed in this article: Vacha-Haase, T., Elman, N. S., Forrest, L., Kallaugher, J., Lease, S. H., Veilleux, J. C., & Kaslow, N. J. (2018, November 29). Remediation Plans for Trainees With Problems of Professional Competence. Training and Education in Professional Psychology. NRS 622.360(3). Notice that the licensee must provide fingerprints pursuant to NRS 622.360 will be included in the Complaint and Notice of Hearing. In addition, all settlement agreements regarding licensees, the Board will require that the licensee provide fingerprints pursuant to NRS 622.360 as part of the settlement.
- f. The Board may order any psychologist named in a complaint²⁰ to submit to a mental examination conducted by a panel of three psychologists designated by the Board or a physical examination conducted by a physician designated by the Board. NRS 641.272(2).
- g. Settlement agreements may contain requirements agreed to by the parties and approved by the Board that differ from those specified in NRS 641.240 or other statutory provision. o A psychologist may agree to surrender his or her license in lieu of other disciplinary action by a settlement agreement. This constitutes discipline pursuant to NRS 233B.121(6) and will be reported as discipline pursuant to this policy.
- h. The Board may not administer a private reprimand. NRS 641.240(2).
- i. An order that imposes discipline and the findings of fact and conclusions of law supporting that order are public records. NRS 641.240(3).
